QUALITY POLICY

Alfred Management and Business Consultancy (MBC) is dedicated to constantly provide Consultancy services that meet or exceed the expectations of our customers.

We support the proactive implementation of best business practices using the Quality Management System and other applicable requirements.

We inspire the timely communication, resource providing and adaptation of technology to improve the competitiveness of our business and endeavor for continual improvement.

Our management system is enhanced through performance driven quality objectives which are directed towards:

- Exceeding customer satisfaction.
- Determining continuing suitability through Management reviews.
- Verification of System effectiveness through Internal / external audits.
- Establishing mutually beneficial relation & exercising necessary controls with all our clients.
- Enhancement of employee skills by implementing training & awareness programs.

Approved by: Fariborz (Fred) Vessali
